Booking an appointment – new process

Families will have received an email with a unique key ID to access the Sentral portal through the App Store. Families will have an opportunity to book a 10-minute appointment through the Parental portal on Sentral. The Parental Portal through Sentral will be open for the period 22/5 - 12/6 to allow families to book appointments with teachers.

It is important that we are mindful of the appointment time slots to allow our teachers to remain on schedule for their appointments. If you require a longer appointment or are unable to book an appointment, please contact the school on 9602 4320. It is important parental contact details are up to date. If changes are necessary, please communicate this with our office.

We look forward to having conversations on how we as a team can support your child in growing and achieving their educational outcomes.

Regards,

Mr Gareth Smith

Principal
