SAFE HIGH EXPECTATIONS ACHIEVEMENT RESPECT PREPARED

Dear Parents/Carers,

On behalf of all the staff at Casula High School I would like to thank our families for their support during this challenging time. We are all learning how to best navigate learning from home and teachers have undergone a huge learning curve. We will continue to learn and do our very best to support our students and families.

The last day of school for term one is today. Following the holidays our teachers will be engaging in professional learning to best support learning from home during our Staff Development on Monday 27 April. As per usual, this is a pupil free day.

Teaching and learning arrangements and online learning will continue as they are currently when school returns for term 2 on Tuesday 28 April. Regular updates regarding learning from home will be communicated via our school website, Facebook and text messages.

Teachers will continue to upload lessons onto our learning platform, Google Classroom when school resumes. It is important that students log onto Google Classroom and follow their timetable. Staying connected and completing learning from home through Google Classroom is an expectation we have for all students at Casula High School. As always, our staff will provide the necessary support and resources if needed. Teachers have been regularly making contact with families to offer support if needed. If a teacher leaves a message please contact the school on 9602 4320 or via email on casula-h.school@det.nsw.edu.au stating your child's full name, year, the teacher's name and the level of support required.

To support student's continuity of learning and provide feedback to students about their learning please have your child upload / submit completed tasks to the online platform.

The school holidays commence on Friday 10 April. These holidays will look very different for us all. We will be at home with our immediate families trying to keep safe and healthy. I hope everyone enjoys a well-deserved break.

I am proud to be leading a school community that is working together to ensure our students are continuing to grow and learn in a complex time. Our strong partnership has made our learning from home transition a success.

Sincerely,

Mr G Smith
Principal
